Smoky Ranch Dip

For best results make this quick and easy dip a few hours (or even a couple of days) ahead of time and refrigerate. The flavors will meld together and the dip will be tastier. Serve with your favorite tortilla chips.

1 (1-ounce) package Ranch dressing mix

1-1/2 cups sour cream

2/3 cup **Fredericksburg Farms Watershed Ranch Roasted Chipotle Salsa**

Whisk all ingredients together in a medium bowl. Cover tightly and refrigerate for a couple of hours before serving.
