Super Ole Dip

Our **Green Chile Ole' Dip Mix** makes a mighty fine dip, but we always try to make things even better! Try this zesty version out on your favorite tortilla chips. It'll make you grin.

Makes about 1-3/4 cups.

1 package **Fredericksburg Farms Green Chile Ole' Dip Mix**

8 ounces cream, cheese, softened

½ cup sour cream

2 tablespoons minced cilantro

2 green onions, roughly chopped, including green tops

Combine all ingredients in work bowl of food processor fitted with steel blade. Process until smooth. Keep refrigerated until ready to serve. Note: For optimum, fabulous flavor, make the dip at least an hour before you're going to serve it so the flavors can get to know each other real well.
