Sweet Hots 'n Cream Cheese

Be sure to keep a jar of **Fredericksburg Farms Sweet & Hot Jalapenos** tucked away in the pantry. We've taken those tasty, fiery Hill Country jalapenos and tamed their flame a bit, leaving a little heat with a bit of sweet. When friends drop by, or an impromptu neighborhood gathering happens at your house, pour those sweet 'n zesty little peppers over a block of cream cheese, add a spreader knife and some good wheat crackers, and you really do have an instant party. And with so little effort too!

1 (8-ounce) pkg. cream cheese

1 jar **Fredericksburg Farms Sweet & Hot Jalapenos**

Stone Wheat cracker

Place the block of cream cheese on a small serving platter with a small lip. Pour the **Fredericksburg Farms Sweet & Hot Jalapenos** over the cheese. Garnish as desired. Place the crackers in a napkin-lined basket adjacent to the platter.
